tune for a Bribe-How Ex-Mayor Cooper Disclosed Frauds.

For Commissioner of Police to suciam M. Tweed, published exclusively in the Journal yesterday. Nor would Mr. Stokes consent to make known the contents of the Tweed letters and memoranda which are in his possession. Said he:

"I do not wish to convey the impression that I have the original documents that were found in the old trunk. But I dld say, and do say, that I had all these papers in my possession for weeks and became fully familiar with the purport of each as disclosed on its face.

"Another thing I desire distinctly understood. I do not wish any person in New York who might be affected by the publication of any of these papers to think that I hold a sword of Damocles over his head. I tell no tales. I bear no malice. If I did could have satisfied it long ago."

Mr. Stokes, however, spoke of some of those who figure creditably, honorably, in these papers. "There are memoranda that prove that an

Roosevelt, of New York, to be Assistant had \$250,000 to keep his pen off the Tweed ring," he said. "And, besides, the ring was forming a pool to buy the Times, but George It was believed last night that it would be from the above list that the Mayor would choose the successors to Police Combining a pool to buy the Image apool to
